

Librarian's Report 6/6/16

- Celeste continues to plug away at the landscaping as time allows, Julia Whelihan has agreed to help with the mowing while she is out making her rounds.
- Final month to prepare for the Mancos Half Marathon, Dana has forwarded a list to the Friends for food needs for the race. Any questions beyond this point can be directed to Dana or Lee.
- Mill Levy progress is coming along smoothly. Currently the Vote Yes! Committee is working on a set of documents, flyers, and designing a button to be able to hand out to folks during the Mancos Half Marathon on June 25 and reviewing the voters list to begin the door to door appeal in September. The Board is developing a second set of documents, bookmarks, rack cards, etc. that will be less "Vote Yes" oriented, showing the bullet points of Plan A / Plan B without the call to action.
- The library "Book Cart Drill Team" will be participating in the Mancos Days Parade this year - we would love to have some Friends join us as we dance down Grand Avenue! Please let Lee know if you are interested, practice will begin in earnest in July (after the marathon). Theme is "Outlaws and Fancy Ladies", we are looking for costumes if anyone has any?
- Adi & Amy have been hired by the preschool, so we are once again on the hunt for a new Youth Services Manager, Bi-lingual story time assistant, Outdoor Adventures assistant and cleaning person. Please send any suggestions to Lee.
- Summer Reading Program is in full swing, events are Tuesdays at 10:30 am. Reading component is a Bingo (Read-O) that kids can complete for prizes.
- We are collaborating with the Powerhouse Science Center to bring summer science programs for 8 - 11 year olds to the library from July 11-14. Need minimum of 10 signups to move forward with the program.
- Have been doing research around the new donation box and the best location, etc. Difficult to find something that is not too big but big enough, and a location that won't be in patrons way. I will make a decision and be sure to have it installed before the Marathon at the end of the month.
