

Librarian's Report 7/11/16

- Mancos Half Marathon was a big success, over \$5,000 in proceeds to the library - thank you to the Friends for ALL your help to make it a success! Runners enjoyed the course, all enjoyed the music, activities and food, great community building event with a positive feel.
- Board of Trustees and I are making presentations to various organizations in town re: upcoming Mill Levy ballot issue. Vote Yes! Committee will have presence at Mancos Days.
- The library "Book Cart Drill Team" will be participating in the Mancos Days Parade this year - practices have begun and will continue through the end of the month. Wednesday evenings and Thursday mornings.
- We will be having a small "yard sale" on the patio of the library again during Mancos Days and the book sale to try to raise a little money and sell a few items that have been donated since last year. Not soliciting for any additional donations.
- Shaine accepted a job as new Youth Services Librarian at Dolores Public Library. We are now advertising for a Development and Programming Manager in addition to the Youth Services positions. If you know anyone who may be interested in these, please contact Lee.
- Summer Reading programs have wrapped up for this year, Amy had a great turnout. Reading portion of program will continue through early August, will be requesting \$ from Friends to help pay for prizes.
- Donation box again fell off my radar - attached to this report are logos, please choose a favorite and I will order the box tomorrow!
- Had a Boat (23' Sea Ray Weekender 230) donated to the library, it is currently for sale - please help spread the word! \$5,600 OBO, please contact Lee to view or if anyone needs additional information.
- MPL is participating in the "Check out Colorado State Parks at your Library" program. Patrons may check (for one week) out a backpack with a State Park entrance pass (camping or fishing privileges are extra), binoculars, a wildlife guide and nature guide. Pass is good for any Colorado State Park.
